

### **Jr. Lifeguard Boat Trip Refund Policy**

Due to the popularity of the two Santa Cruz Island boat trips and the limited space available a lottery system to assign spaces is conducted.

At the completion of the lottery assignment the boat trip rosters will be posted on the main bathhouse window and your child will be notified. Both the July 8<sup>th</sup> and 15<sup>th</sup> boat trip roster will be posted Monday July 6<sup>th</sup>.

Once posted you will have 24hrs to notify the Jr. Lifeguard staff if you cannot attend on the assigned date; otherwise no refund will be issued because we will have confirmed the total number of paid spaces with Truth Aquatics and filling vacant spaces at the last minute is not possible

We appreciate your understanding and we will make every effort to assign JG's to their first Boat Trip option
